

Angelhands Inc. \$50k in 50 days: Partnership Packages

Our partnership packages are designed to give our financial partners and sponsors significant promotional opportunity, including coverage on our website, promotional materials, major media outlets, local media and social media. Partnering presents the opportunity to align your brand and organisation with the ideals, values and community support offered by the angelhands to those people with post-traumatic stress disorder – which in most cases is related to serious violence.

Benefits to Sponsors

- Logo placements: website, promotional material
- Website page dedicated to sponsor with logo, company information and a link to the sponsor's website
- Display of promotional materials
- Formal recognition as a Partner at events
- Social Media ads/promotion
- Database communications
- Partnership badge

**On a case-by case basis we will reflect the relevant package of benefits in T&Cs to be agreed.*

50/50 Partner

As our Co-Partner of #notallangelswearwings for our 50/50 campaign the benefits package will comprise:

- A one-off one hour staff development presentation on supporting people experiencing trauma
